**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. It helps my community and business grow as to not be stifled by monopolies. Please do not let the broadband completion be between only 2-3 entities there should be a wide variety of options for hard working people. Broadband is critical to my health and well being as a human in todays society.
